**Notes:**

- Review Documentation
  - As an admin, how will you see referral table updated and blockchain updated?
    - Add an admin-guide.md
    - How to run the demo
      - Cors demo included
    - Check tables to see updated info
  - Will reach out to david and see when to do phase 1 demo
    - If nobody is available
    - They should be able to follow the user-guide and redo
    - Assumption is that the employer is registered for the demo
    - We will be doing the demo since we have the keys
    - Keep it high level
      - Do not go into code
      - Assume no technical knowledge
      - Just walkthrough user-guide.md
      - Skip bitcoin core installation
      - Demo date is yet to be scheduled, expected to be 04/06
  - Phase 2 is registration process
    - Will discuss moving forward
    - Registering the employer
    - Will begin phase 2 on 04/08
    - 2-3 weeks for deployment
      - Think about what can be accomplished in 3 weeks
        - Fix cors issue
        - Just do employer registration
        - Only do what is possible in the sprint, do not over promise on the deployment
  - Merge everything to main before phase 2, delete old branches.
